## EXPERIENCE

### VENUS MED SPA

*Graphic Designer and Photographer - 2017 (october-present)*

Designing promotional material and covering numerous events that were hosted or sponsored by Venus such as Wine Woman & Shoes. I also made a few promotional videos and logo animations for Venus.

### Harmon's AV

*Camera Operator and Technion - 2017 (october-present)*

We set up for events such as music concerts, Roy Hobbs world series, and other conferences. I handled the cameras, and getting the live broadcasting system set up when we were on location.

### DESIGN STREAK STUDIO

*Graphic Design Intern - 2017 (january-may)*

Play posters, logo designs, web design, and branding work. I also worked on a large booklet for the National Center for Urban Education (NCUE) to promote their program. Along with this client I worked directly with every client, that walked through the door.

### PERSONAL PRACTICE IN WEB

*Web Design Intern - 2017 (january-may)*

Helped teach the Graphic Design for Web class, which is a college level senior class that is very intensive in design layout and coding skills. I helped write the semester syllabus and exercises. Critiqued all aspects of the websites, from wire frames at the beginning to the typography and usability of design in the final variations.

### STUK GRAPHIX / STUKMX

*Graphic Designer - 2014-2016*

Design work such as logos, t-shirts, large signs, banners, motorcycle decals, and vehicle wraps.

### TROY'S TREE SERVICE

*Arborist Apprentice - 2010-2016*

Tree maintenance and removal, disaster specialist work after storms, and management of ground crew.
